

“End of an Era”

In January 2021, The Computer Doctor celebrated 20 years of IT support and services to over 600 loyal customers.

Amidst this successful milestone, sadly, I announce that as of 1st March 2021 I will no longer be operating “The Computer Doctor”.

It has been a pleasure to offer an excellent service and build a friendship of trust to all my loyal customers throughout the many years!

I have appointed Frank to take care of all my existing clients.

Frank can be contacted on **0419908000**

I am looking forward to my new career and wish you all the best for the future.

Sincerely,

John R
